Teleconference Invitation

A Teleconference for USCIS Civil Surgeons: Assessing Communicable Diseases as Part of the Immigration Medical Examination

Tuesday, October 1, 2013
2:00 p.m. – 3:30 p.m. (Eastern)

U.S. Citizenship and Immigration Services (USCIS) invites designated civil surgeons to participate in a teleconference on **Tuesday, October 1, 2013 from 2:00 – 3:30 p.m. (Eastern)**.

In response to stakeholder inquiries, subject matter experts from USCIS and the Centers for Disease Control and Prevention (CDC) will offer a high-level overview on how to assess communicable diseases as part of the immigration medical exam. Participants will also learn how to document this evaluation on Form I-693, Report of Medical Examination and Vaccination Record. USCIS and CDC officials will be available to answer questions about communicable diseases, including tuberculosis, the related CDC's Technical Instructions, and Form I-693.

To Register for this Teleconference:

Please visit our event registration page to RSVP. Be sure to provide your full name and organization by taking these steps:

1. Enter your email address and click "Submit"
2. Click "Subscriber Preferences"
3. Select the "Event Registration" tab
4. Complete the questions and click "submit"

Once we process your registration, you will receive a confirmation email with additional details.

We encourage you to submit questions before the teleconference. You may do so on the event registration page or by emailing us at Public.Engagement@uscis.dhs.gov. Please enter "Civil Surgeons Agenda Item" in the subject line. **Please submit all questions by September 24, 2013**.

If you have questions about the registration process, or if you have not received a confirmation email within two business days, please email us at Public.Engagement@uscis.dhs.gov.

We look forward to engaging with you!
