Search

AILA InfoNet's search is powered by Google!

Relevancy! InfoNet's search returns results based on relevancy so the documents that best match your search terms are at the start of your results. Or, you can opt for results in chronological order.

Single Letter Search: No more having to use alternate terms – go ahead search for a T Visa or Schedule A.

AILA Doc. No. Have an InfoNet document number? Simply enter that into the search field and get that document back.

Filtering: Narrow your search results by using filters for document types including Agency Memos, Liaison Activity, Cases and Decisions, Enacted Legislation and more!

Date Range: Narrow your search results to a certain date range. *Note: InfoNet documents are dated by the date they were posted to InfoNet and not the actual date of the document.*
