NOTES:

1) It was necessary to oversubscribed the F1 category in October. The main reason for this is the naturalization of F2B petitioners during the long wait between petitioning and visa issuance. Naturalization automatically converts an F2B case to the F1 category. The priority dates of such cases tends to be early.

2) In August it was necessary to retrogress the F1 cut-off date in an attempt to hold issuances within the annual numerical limits.
