USCIS ELIS and the EB-5 Immigrant Investor Program
Thursday, March 28, 2013 @ 3:00 p.m. (Eastern)

The U.S. Citizenship and Immigration Services (USCIS) Public Engagement Division and the Office of Transformation Coordination invite interested individuals to participate in a stakeholder teleconference on **Thursday, March 28, 2013 from 3:00 p.m. to 4:30 p.m. (Eastern)**.

On May 22, 2012, USCIS launched the first phase of our electronic immigration system, known as USCIS ELIS. This agency-wide initiative brings USCIS closer to realizing the Web-based future of immigration services and is part of USCIS's continuous effort to better serve our customers.

USCIS will gradually expand USCIS ELIS to cover most immigration benefits and will add new form types and functionality on a regular basis. As we plan for these changes, it is important to gain feedback and insight from stakeholders. During this engagement, USCIS officials will solicit feedback from stakeholders regarding Form I-526, Immigrant Petition by Alien Entrepreneur and e-filing in USCIS ELIS.
