Embassy of the United States Tokyo, Japan

EARTHQUAKE UPDATE

FULBRIGHT **Fulbright**

Japan-U.S. educational and cultural exchange

EDUCATIONUSA **EducationUSA.state.gov**

Bureau of Educational and Cultural Affairs

VISA APPLICANTS

The Embassy wishes to inform all visa applicants that our first priority at this time is assisting U.S. citizens who may be injured or missing. For **non-immigrant** visa applicants who have appointments this week, please reschedule your appointment for a later date. We are able to assist in emergency cases under very limited circumstances Please see our Emergency Appointments page for details.

EARTHQUAKE INFORMATION

March 11 - Due to the recent seismic activity in Japan on March 11, 2011, the U.S. Embassy is closed for the rest of the business day.

For information on the whereabouts and welfare of family and friends in Japan, please consult the State Department website website or call the toll free number 1-888-407-4747, or 1-202-501-4444.

American citizens in Japan should listen to local news reports, check with your local authorities and contact your neighborhood evacuation center.
