**Virginia**

- Alexandria Application Support Center
- Washington, District and Field Office

The USCIS Eastern Telephone Center - this may result in limited live assistance and longer than usual wait times for callers. Customers may check their case status, change their address and submit a case status inquiry online any time at [www.uscis.gov/tools](http://www.uscis.gov/tools).

The following chart provides guidance on rescheduling your office or applicant support center (ASC) is closed. You should also check for more specific information about an office's rescheduling policy. Please use the [Field Offices](#) area of the website to find an individual office.

<b>Field Office and International Office Closures</b>	
<b>If You</b>	<b>Then</b>
Have an appointment for an interview and the USCIS office you have been scheduled for is closed,	USCIS will automatically reschedule you for an interview as soon as possible.
Scheduled an InfoPass appointment and the USCIS office you have been scheduled for is closed	You will need to schedule a new appointment on your own.

<b>ASC Closures</b>		
<b>If an ASC</b>	<b>Then We</b>	<b>Note</b>
Is closed temporarily on the day of your Biometrics appointment for an unforeseen circumstance such as inclement weather or a power outage;	Will automatically reschedule all applicants to the next available appointment date	. If you would prefer to come in once the office reopens we will process walk-ins on a case-by-case basis; however, the ASC may experience multiple walk-ins on the days following a closure and you may experience longer wait times.
Has closed until further notice and the reopen date is not known	Will automatically reschedule your appointment to the nearest ASC for processing based on your ZIP code	This will continue until the ASC has confirmed a reopening date.
