Field Office Closings

The following offices will be closed on Friday, December 6th, 2013 due to inclement winter weather in the regional area:

- Dallas District; Dallas North Application Support Center (ASC); Dallas South ASC; Fort Worth ASC
- Oklahoma City Field Office & ASC
- Fort Smith, AR Field Office & ASC

In case an office is closed and you have an appointment, see our rescheduling guidance.

The following tables provide guidance on rescheduling your appointment if your local USCIS field or international office, or application support center (ASC) is closed temporarily or until further notice.

Field Office and International Office Closures

If You

Have an appointment for an interview and the USCIS office you have been scheduled for is closed,

Scheduled an InfoPass appointment and the USCIS office you have been scheduled for is closed

Then

USCIS will automatically reschedule you for an interview as soon as possible.

You will need to schedule a new appointment on your own.

ASC Closures

If an ASC

Is closed temporarily on the day of your Biometrics appointment for an unforeseen circumstance such as inclement weather or a power outage;

Has closed until further notice and the reopen date is not known

Then We

Will automatically reschedule all applicants to the next available appointment date

Will automatically reschedule your appointment to the nearest ASC for processing based on your ZIP code

Note

. If you would prefer to come in once the office reopens we will process walk-ins on a case-by-case basis; however, the ASC may experience multiple walk-ins on the days following a closure and you may experience longer wait times.

This will continue until the ASC has confirmed a reopening date.
