Subject: E-Verify Website Updates Content Because of Your Valuable Customer Feedback!

On October 30th, E-Verify unveiled new and updated web content in response to your customer feedback and external web audits. The website includes shortened and easier to remember URLs, streamlined navigational tools, fewer web pages to reduce content redundancy, and more.

Some New pages include:

- [How E-Verify Works](#)
- [Determine Who is Affected by the E-Verify Federal Contractor Rule](#)

- Some Updated pages include:
- [Business-Friendly Features](#)
- [Before You Start](#)
- [Enrollment Checklist](#)

Be sure to visit the [website](#) and stay tuned for more updates!
