RESEARCH, DEVELOPMENT, ACQUISITION, AND OPERATIONS

For necessary expenses for science and technology research, including advanced research projects; development; test and evaluation; acquisition; and operations; as authorized by title III of the Homeland Security Act of 2002 (6 U.S.C. 181 et seq.); \$1,420,997,000, to remain available until expended: *Provided*, That of the total amount provided under this heading, \$23,000,000 is available to select a site for the National Bio and Agrodefense Facility and perform other pre-construction activities to establish research capabilities to protect animal and public health from high consequence animal and zoonotic diseases in support of Homeland Security Presidential Directives 9 and 10: *Provided further*, That of the amount provided under this heading, \$318,014,000 shall be for activities of the Domestic Nuclear Detection Office, of which \$125,000,000 shall be for the purchase and deployment of radiation portal monitors for United States ports of entry and of which no less than \$81,000,000 shall be for radiological and nuclear research and development activities: *Provided further*, That excluding the funds made available under the preceding proviso for radiation portal monitors, \$144,760,500 of the total amount made available under this heading for the Domestic Nuclear Detection Office shall not be obligated until the Committees on Appropriations of the Senate and the House of Representatives receive and approve an expenditure plan for the Domestic Nuclear Detection Office: *Provided further*, That the expenditure plan shall include funding by program, project, and activity for each of fiscal years 2006 through 2010 prepared by the Secretary of Homeland Security that has been reviewed by the Government Accountability Office.

TITLE V—GENERAL PROVISIONS

SEC. 501. No part of any appropriation contained in this Act shall remain available for obligation beyond the current fiscal year unless expressly so provided herein.

SEC. 502. Subject to the requirements of section 503 of this Act, the unexpended balances of prior appropriations provided for activities in this Act may be transferred to appropriation accounts for such activities established pursuant to this Act: *Provided*, That balances so transferred may be merged with funds in the applicable established accounts and thereafter may be accounted for as one fund for the same time period as originally enacted.

SEC. 503. (a) None of the funds provided by this Act, provided by previous appropriations Acts to the agencies in or transferred

to the Department of Homeland Security that remain available for obligation or expenditure in fiscal year 2006, or provided from any accounts in the Treasury of the United States derived by the collection of fees available to the agencies funded by this Act, shall be available for obligation or expenditure through a reprogramming of funds that: (1) creates a new program; (2) eliminates a program, project, or activity; (3) increases funds for any program, project, or activity for which funds have been denied or restricted by the Congress; (4) proposes to use funds directed for a specific activity by either of the Committees on Appropriations of the Senate or House of Representatives for a different purpose; or (5) contracts out any functions or activities for which funds have been appropriated for Federal full-time equivalent positions; unless the Committees on Appropriations of the Senate and the House of Representatives are notified 15 days in advance of such reprogramming of funds.

(b) None of the funds provided by this Act, provided by previous appropriations Acts to the agencies in or transferred to the Department of Homeland Security that remain available for obligation or expenditure in fiscal year 2006, or provided from any accounts in the Treasury of the United States derived by the collection of fees available to the agencies funded by this Act, shall be available for obligation or expenditure for programs, projects, or activities through a reprogramming of funds in excess of \$5,000,000 or 10 percent, whichever is less, that: (1) augments existing programs, projects, or activities; (2) reduces by 10 percent funding for any existing program, project, or activity, or numbers of personnel by 10 percent as approved by the Congress; or (3) results from any general savings from a reduction in personnel that would result in a change in existing programs, projects, or activities as approved by the Congress; unless the Committees on Appropriations of the Senate and the House of Representatives are notified 15 days in advance of such reprogramming of funds.

(c) Not to exceed 5 percent of any appropriation made available for the current fiscal year for the Department of Homeland Security by this Act or provided by previous appropriations Acts may be transferred between such appropriations, but no such appropriations, except as otherwise specifically provided, shall be increased by more than 10 percent by such transfers: *Provided*, That any transfer under this section shall be treated as a reprogramming of funds under subsection (b) of this section and shall not be available for obligation unless the Committees on Appropriations of the Senate and the House of Representatives are notified 15 days in advance of such transfer.

(d) Notwithstanding subsections (a), (b), and (c) of this section, no funds shall be reprogrammed within or transferred between appropriations after June 30, except in extraordinary circumstances which imminently threaten the safety of human life or the protection of property.

(e) Hereafter, notwithstanding any other provision of law, notifications pursuant to this section or any other authority for reprogramming or transfer of funds shall be made solely to the Committees on Appropriations of the Senate and the House of Representatives.

SEC. 504. None of the funds appropriated or otherwise made available to the Department of Homeland Security may be used to make payments to the "Department of Homeland Security

Working Capital Fund”, except for the activities and amounts allowed in section 6024 of Public Law 109–13, excluding the Homeland Secure Data Network: *Provided*, That any additional activities and amounts must be approved by the Committees on Appropriations of the Senate and the House of Representatives 30 days in advance of obligation.

SEC. 505. Except as otherwise specifically provided by law, not to exceed 50 percent of unobligated balances remaining available at the end of fiscal year 2006 from appropriations for salaries and expenses for fiscal year 2006 in this Act shall remain available through September 30, 2007, in the account and for the purposes for which the appropriations were provided: *Provided*, That prior to the obligation of such funds, a request shall be submitted to the Committees on Appropriations of the Senate and the House of Representatives for approval in accordance with section 503 of this Act.

SEC. 506. Funds made available by this Act for intelligence activities are deemed to be specifically authorized by the Congress for purposes of section 504 of the National Security Act of 1947 (50 U.S.C. 414) during fiscal year 2006 until the enactment of an Act authorizing intelligence activities for fiscal year 2006.

SEC. 507. The Federal Law Enforcement Training Center shall lead the Federal law enforcement training accreditation process, to include representatives from the Federal law enforcement community and non-Federal accreditation experts involved in law enforcement training, to continue the implementation of measuring and assessing the quality and effectiveness of Federal law enforcement training programs, facilities, and instructors.

SEC. 508. None of the funds in this Act may be used to make a grant allocation, discretionary grant award, discretionary contract award, or to issue a letter of intent totaling in excess of \$1,000,000, or to announce publicly the intention to make such an award, unless the Secretary of Homeland Security notifies the Committees on Appropriations of the Senate and the House of Representatives at least 3 full business days in advance: *Provided*, That no notification shall involve funds that are not available for obligation.

SEC. 509. Notwithstanding any other provision of law, no agency shall purchase, construct, or lease any additional facilities, except within or contiguous to existing locations, to be used for the purpose of conducting Federal law enforcement training without the advance approval of the Committees on Appropriations of the Senate and the House of Representatives, except that the Federal Law Enforcement Training Center is authorized to obtain the temporary use of additional facilities by lease, contract, or other agreement for training which cannot be accommodated in existing Center facilities.

SEC. 510. The Director of the Federal Law Enforcement Training Center shall schedule basic and/or advanced law enforcement training at all four training facilities under the control of the Federal Law Enforcement Training Center to ensure that these training centers are operated at the highest capacity throughout the fiscal year.

SEC. 511. None of the funds appropriated or otherwise made available by this Act may be used for expenses of any construction, repair, alteration, or acquisition project for which a prospectus, if required by the Public Buildings Act of 1959 (40 U.S.C. 3301), has not been approved, except that necessary funds may be

expended for each project for required expenses for the development of a proposed prospectus.

SEC. 512. None of the funds in this Act may be used in contravention of the applicable provisions of the Buy American Act (41 U.S.C. 10a et seq.).

SEC. 513. The Secretary of Homeland Security shall take all actions necessary to ensure that the Department of Homeland Security is in compliance with the second proviso of section 513 of Public Law 108–334 and shall report to the Committees on Appropriations of the Senate and House of Representatives biweekly beginning on October 1, 2005, on any reasons for non-compliance: *Provided*, That, furthermore, the Secretary shall take all possible actions, including the procurement of certified systems to inspect and screen air cargo on passenger aircraft, to increase the level of air cargo inspected beyond that mandated in section 513 of Public Law 108–334 and shall report to the Committees on Appropriations of the Senate and the House of Representatives every six months on the actions taken and the percentage of air cargo inspected at each airport.

SEC. 514. Notwithstanding section 3302 of title 31, United States Code, for fiscal year 2006 and thereafter, the Administrator of the Transportation Security Administration may impose a reasonable charge for the lease of real and personal property to Transportation Security Administration employees and for use by Transportation Security Administration employees and may credit amounts received to the appropriation or fund initially charged for operating and maintaining the property, which amounts shall be available, without fiscal year limitation, for expenditure for property management, operation, protection, construction, repair, alteration, and related activities.

SEC. 515. For fiscal year 2006 and thereafter, the acquisition management system of the Transportation Security Administration shall apply to the acquisition of services, as well as equipment, supplies, and materials.

SEC. 516. Notwithstanding any other provision of law, the authority of the Office of Personnel Management to conduct personnel security and suitability background investigations, update investigations, and periodic reinvestigations of applicants for, or appointees in, positions in the Office of the Secretary and Executive Management, the Office of the Under Secretary for Management, Analysis and Operations, Immigration and Customs Enforcement, Directorate for Preparedness, and the Directorate of Science and Technology of the Department of Homeland Security is transferred to the Department of Homeland Security: *Provided*, That on request of the Department of Homeland Security, the Office of Personnel Management shall cooperate with and assist the Department in any investigation or reinvestigation under this section: *Provided further*, That this section shall cease to be effective at such time as the President has selected a single agency to conduct security clearance investigations pursuant to section 3001(c) of the Intelligence Reform and Terrorism Prevention Act of 2004 (Public Law 108–458; 50 U.S.C. 435b) and the entity selected under section 3001(b) of such Act has reported to Congress that the agency selected pursuant to such section 3001(c) is capable of conducting all necessary investigations in a timely manner or has authorized the entities within the Department of Homeland Security covered

by this section to conduct their own investigations pursuant to section 3001 of such Act.

SEC. 517. Hereafter, notwithstanding any other provision of law, funds appropriated under paragraphs (1) and (2) of the State and Local Programs heading under title III of this Act are exempt from section 6503(a) of title 31, United States Code.

SEC. 518. (a) None of the funds provided by this or previous appropriations Acts may be obligated for deployment or implementation, on other than a test basis, of the Secure Flight program or any other follow on or successor passenger prescreening programs, until the Secretary of Homeland Security certifies, and the Government Accountability Office reports, to the Committees on Appropriations of the Senate and the House of Representatives, that all ten of the elements contained in paragraphs (1) through (10) of section 522(a) of Public Law 108–334 (118 Stat. 1319) have been successfully met.

(b) The report required by subsection (a) shall be submitted within 90 days after the certification required by such subsection is provided, and periodically thereafter, if necessary, until the Government Accountability Office confirms that all ten elements have been successfully met.

(c) During the testing phase permitted by subsection (a), no information gathered from passengers, foreign or domestic air carriers, or reservation systems may be used to screen aviation passengers, or delay or deny boarding to such passengers, except in instances where passenger names are matched to a Government watch list.

(d) None of the funds provided in this or previous appropriations Acts may be utilized to develop or test algorithms assigning risk to passengers whose names are not on Government watch lists.

(e) None of the funds provided in this or previous appropriations Acts may be utilized for data or a database that is obtained from or remains under the control of a non-Federal entity: *Provided*, That this restriction shall not apply to Passenger Name Record data obtained from air carriers.

SEC. 519. None of the funds made available in this Act may be used to amend the oath of allegiance required by section 337 of the Immigration and Nationality Act (8 U.S.C. 1448).

SEC. 520. None of the funds appropriated by this Act may be used to process or approve a competition under Office of Management and Budget Circular A–76 for services provided as of June 1, 2004, by employees (including employees serving on a temporary or term basis) of United States Citizenship and Immigration Services of the Department of Homeland Security who are known as of that date as Immigration Information Officers, Contact Representatives, or Investigative Assistants.

SEC. 521. None of the funds appropriated by this Act shall be available to maintain the United States Secret Service as anything but a distinct entity within the Department of Homeland Security and shall not be used to merge the United States Secret Service with any other department function, cause any personnel and operational elements of the United States Secret Service to report to an individual other than the Director of the United States Secret Service, or cause the Director to report directly to any individual other than the Secretary of Homeland Security.

SEC. 522. None of the funds appropriated to the United States Secret Service by this Act or by previous appropriations Acts may

be made available for the protection of the head of a Federal agency other than the Secretary of Homeland Security: *Provided*, That the Director of the United States Secret Service may enter into an agreement to perform such service on a fully reimbursable basis.

SEC. 523. The Department of Homeland Security processing and data storage facilities at the John C. Stennis Space Center shall hereafter be known as the “National Center for Critical Information Processing and Storage”.

SEC. 524. The Secretary, in consultation with industry stakeholders, shall develop standards and protocols for increasing the use of explosive detection equipment to screen air cargo when appropriate.

SEC. 525. The Transportation Security Administration (TSA) shall utilize existing checked baggage explosive detection equipment and screeners to screen cargo carried on passenger aircraft to the greatest extent practicable at each airport: *Provided*, That beginning with November 2005, TSA shall provide a monthly report to the Committees on Appropriations of the Senate and the House of Representatives detailing, by airport, the amount of cargo carried on passenger aircraft that was screened by TSA in August 2005 and each month thereafter.

SEC. 526. None of the funds available for obligation for the transportation worker identification credential program shall be used to develop a personalization system that is decentralized or a card production capability that does not utilize an existing government card production facility: *Provided*, That no funding can be obligated for the next phase of production until the Committees on Appropriations of the Senate and the House of Representatives have been fully briefed on the results of the prototype phase and agree that the program should move forward.

SEC. 527. (a) From the unexpended balances of the United States Coast Guard “Acquisition, Construction, and Improvements” account specifically identified in the Joint Explanatory Statement (House Report 108–10) accompanying Public Law 108–7 for the 110–123 foot patrol boat upgrade, the Joint Explanatory Statement (House Report 108–280) accompanying Public Law 108–90 for the Fast Response Cutter/110–123 foot patrol boat conversion, and in the Joint Explanatory Statement (House Report 108–774) accompanying Public Law 108–334 for the Integrated Deepwater System patrol boats 110–123 foot conversion, \$78,630,689 are rescinded.

(b) For necessary expenses of the United States Coast Guard for “Acquisition, Construction, and Improvements”, an additional \$78,630,689, to remain available until September 30, 2009, for the service life extension program of the current 110-foot Island Class patrol boat fleet and accelerated design and production of the Fast Response Cutter.

SEC. 528. The Secretary of Homeland Security shall utilize the Transportation Security Clearinghouse as the central identity management system for the deployment and operation of the registered traveler program and the transportation worker identification credential program for the purposes of collecting and aggregating biometric data necessary for background vetting; providing all associated record-keeping, customer service, and related functions; ensuring interoperability between different airports and vendors; and acting as a central activation, revocation, and transaction hub for participating airports, ports, and other points of presence.

SEC. 529. None of the funds made available in this Act may be used by any person other than the privacy officer appointed pursuant to section 222 of the Homeland Security Act of 2002 (6 U.S.C. 142) to alter, direct that changes be made to, delay, or prohibit the transmission to Congress of any report prepared pursuant to paragraph (5) of such section.
