U.S. Citizenship and Immigration Services California Service Center Processing Dates Posted May 03, 2005

The U.S. Citizenship and Immigration Services processes cases in the order in which they are received. Due to the high workload, most of the time your case is pending we will be processing cases that were filed earlier than yours. This chart tells you which cases the Service Center is processing and the date the cases were received by the Service Center.

How do I use this chart?

Locate the type of application or petition you filed under the heading "Form" or "Form Name". Follow the form/form name across to the heading "Processing Cases with Receipt Date of". The date shown in this column represents the filing date of the application or petition that is currently being processed at this Service Center.
