

U.S. Citizenship and Immigration Services

Office of Public Affairs

In response to the Coronavirus (COVID-19) pandemic, U.S. Citizenship and Immigration Services announced today that it is adopting measures to minimize the immigration consequences associated with responding to requests for evidence (RFEs) and notices of intent to deny (NOIDs) dated between March 1 and May 1, 2020.

Requests for Evidence and Notices of Intent to Deny

For applicants and petitioners who receive an RFE or NOID dated between March 1 and May 1, 2020, any responses submitted within 60 calendar days after the response deadline set forth in the RFE or NOID will be considered by USCIS before any action is taken.

For More Information

Education and precautions are the strongest tools against infection. Continue to practice good health habits, refrain from handshakes or hugs as greetings, and wash hands and clean surfaces appropriately.

USCIS will provide further updates as the situation develops and will continue to follow the Centers for Disease Control and Prevention's guidance. Please visit uscis.gov/coronavirus for the latest facts and other USCIS updates.
