Subject: EOIR Stakeholder Update

Good evening–

In an effort to enhance communication with our stakeholders during the national pandemic, the Executive Office for Immigration Review (EOIR) developed this listserv to notify practitioners nationwide about all court closures, reopenings, and standing orders.

Operational Status Information

Webpage

To facilitate access to information regarding EOIR operations during the national pandemic, EOIR developed and deployed a [web page](#) that provides information about each immigration court's operational status, filings, and standing orders. You can find the webpage by going to www.justice.gov/eoir and clicking on the "[Operational Status During Coronavirus Pandemic](#)," banner, at the top of the page. You may also wish to "follow" EOIR on Twitter (@DOJ_EOIR) and Facebook.

All Non-Detained Hearings Postponed through April 10, 2020

Through April 10, 2020, immigration courts have postponed all non-detained hearings. Also, effective March 23, 2020, all Migrant Protection Protocols master calendar and merit hearings previously scheduled through April 22 have been rescheduled.
