U.S. Customs and Border Protection

Notice of Intent To Prepare Four Programmatic Environmental Impact Statements for the Northern Border Between the United States and Canada and To Conduct Public Scoping Meetings

AGENCY: U.S. Customs and Border Protection, DHS.

ACTION: Notice of Intent to Prepare Programmatic Environmental Impact Statements; Request for Comments; and Notice of Public Scoping Meetings.

SUMMARY: U.S. Customs and Border Protection (CBP) intends to prepare four Programmatic Environmental Impact Statements (PEISs) to identify and assess potential impacts upon the human environment of ongoing and potential future border security activities for the Northern Border between the United States and Canada. The anticipated area of study will extend approximately 100 miles south of the Northern Border. The four PEISs will address regions encompassing New England, the Great Lakes, states east of the Rocky Mountains, and states west of the Rocky Mountains.

This notice initiates the public scoping process for preparation of the PEISs. The purpose of the scoping process is to solicit public comments regarding the potential environmental impacts that may be addressed. This notice announces that CBP is requesting written comments and conducting public scoping meetings.

Additionally, the scoping process will allow CBP to gather information and allow the public to participate in consideration of historic preservation activities pursuant to Section 106 of the National Historic Preservation Act for activities along the Northern Border.

DATES: The scoping comment period will be 30 days beginning on the date this document is published in the **Federal Register**. To ensure consideration, comments must be received by August 5, 2010. Comments may be submitted as set forth in the **ADDRESSES** section of this document. Public scoping meetings will be held on various dates in July, 2010, as described in the **ADDRESSES** section of this document.

ADDRESSES: The following electronic and physical addressees are available for the public and other interested parties to provide written comments on the scope of the PEISs or to obtain additional information on the PEISs. See

SUPPLEMENTARY INFORMATION for additional instructions for submitting written comments. To avoid duplication, please use only one of the following methods for providing written comments:

SUPPLEMENTARY INFORMATION:

Background

U.S. Customs and Border Protection (CBP) protects the nation's borders from terrorism, human and drug smuggling, illegal migration, and agricultural pests while simultaneously facilitating the flow of legitimate travel and trade. CBP does so by integrating modern technology, deploying highly trained law enforcement personnel, and developing public and private sector partnerships that advance its overall mission.

At 5,500 miles in length, the Northern Border of the United States stands as the longest common border in the world. The terrain ranges from densely forested lands on the west and east coasts to open plains in the middle of the country. To complement its efforts, CBP uses partnerships with other Federal,
