## Field Office Closings

Thursday, December 5, 2013

Due to inclement weather, icy road conditions and FEB recommendation, the Saint Paul Field Office and the Saint Paul Application Support Center plan to open one hour later than normal. We will open to the public at 0830. Public and employee emergency lines have been updated. All scheduled interview, fingerprint and INFOPASS appointments along with bonafide emergencies will be seen. Walk-in appointments will not be accepted. We anticipate returning to normal operations on Friday.

### In case an office is closed and you have an appointment, see our rescheduling guidance.

The following tables provide guidance on rescheduling your appointment if your local USCIS field or international office, or application support center (ASC) is closed temporarily or until further notice.

#### Field Office and International Office Closures

##### If You

##### Then

Have an appointment for an interview and the USCIS office you have been scheduled for is closed,

USCIS will automatically reschedule you for an interview as soon as possible.

Scheduled an InfoPass appointment and the USCIS office you have been scheduled for is closed

You will need to schedule a new appointment on your own.

#### ASC Closures

##### If an ASC

##### Then We

##### Note

Is closed temporarily on the day of your Biometrics appointment for an unforeseen circumstance such as inclement weather or a power outage;

Will automatically reschedule all applicants to the next available appointment date

. If you would prefer to come in once the office reopens we will process walk-ins on a case-by-case basis; however, the ASC may experience multiple walk-ins on the days following a closure and you may experience longer wait times.

Has closed until further notice and the reopen date is not known

Will automatically reschedule your appointment to the nearest ASC for processing based on your ZIP code

This will continue until the ASC has confirmed a reopening date.
