If an office is closed, USCIS will reschedule all appointments until a time when it is safe to resume operations.

Office Closings:

The Application Support Center Fairfax office (XLG) located at 5949 W. Pico Blvd., Los Angeles, CA 90035 was closed at 2:45pm on April 1, 2013 due to loss of power and phone services. Power was lost in a five block area. All applicants will be rescheduled to the next available appointment date. The affected customer will not need to reschedule the missed appointment. However, walk-ins will be processed on a case-by-case basis.
