If you are later notified that you must submit biometrics, you will receive a biometric services appointment notice with instructions on how to submit an additional biometric services fee.

Copies. You may submit legible photocopies of documents requested, unless the instructions specifically state that you must submit **an original document**. **USCIS may request an original document at the time of filing or at any time during processing of this request.** If you submit original documents when not required, the documents may remain a part of the record, and USCIS will not automatically return them to you.
