# DECLARATION OF SUNY YANETH RODRIGUEZ ALVARADO IN SUPPORT OF RELEASE OF SON ANGELO DANIEL SANCHEZ-RODRIGUEZ TO HIS AUNT

I, SUNY YANETH RODRIGUEZ ALVARADO, declare under penalty of perjury that the following is true:

- My name is Suny Yaneth Rodriguez Alvarado. I am the mother of Angelo
   Daniel Sanchez-Rodriguez. My son Angelo and I are currently detained at
   the Family Residential Center in Dilley, Texas.
- 2. I am writing this declaration to explain the circumstances in which I signed a statement dated April 4, 2015 related to the release of my son. I also wish to re-affirm my previous declaration of March 25, 2015, as well my desire, and Angelo's desire, that Angelo be released to the sister of Angelo's father, as soon as possible.
- 3. On April 4, 2015, ICE officials told me that my son was going to be taken from me to some sort of orphanage in 30 minutes. I had previously refused such an arrangement when deportation officers raised it as a possibility after the Immigration Judge's order that my son be released to his aunt. After my discussions with the deportation officer on or around March 14, 2015, neither I nor my son were given any further notice that ICE intended to take my son to an orphanage until April 4, 2015. My son and I both became very

emotionally upset. I asked the officials when they were taking my son to his aunt, but they told me they didn't know; it depends on how long it takes to check her out. I told the officers that they could not take my son to anyone besides his aunt, The ICE officials asked me to sign a paper confirming my choice to not release my son to them. I signed the paper because I was not prepared to release my son that day and was not assured that my son would be placed with his aunt. We were not told how long Angelo would have to spend in an orphanage, the conditions under which he would be held, or when or if he would be moved to the custody of his aunt.

- 4. Angelo and I would like him to be released to my sister, as I requested in my petition which was approved by the Immigration Judge, and as I stated in my declaration dated March 25, 2015.
- 5. It remains my wish as Angelo's mother, in consideration of his health, safety, and overall best interests, as well as his wishes, that he be released as soon as possible to the custody of his aunt

Signed this \_\_\_\_ day of April, 2015,

Suny Yaneth Rodriguez Alvarado

Después de mis conversaciones con el agente de deportación en o alrededor de 14 de marzo 2015, ni yo ni mi hijo nos dieron ningún aviso que
