Form N-300
OMB No. 1615-0078
Expires 03/31/2016

What Is the Purpose of Form N-300?

Form N-300, *Application to File Declaration of Intention*, enables you, a **lawful** permanent resident, to notify U.S. Citizenship and Immigration Services (USCIS) that you intend to become a citizen of the United States. **USCIS does not require** that **you file** this **application** to become eligible for naturalization.

Some states request that **you submit** this **application** if **you, the applicant, are** doing business with the state. Check with the state where you reside or **in which you** are doing business, to determine whether you are required to file this **application**.

Who Should File **Form N-300**?

You should file **this application** if:

1. You are a **lawful** permanent resident over 18 years of age; and
2. You are currently residing in the United States.

General Instructions

Signature. Each application must be properly signed and filed. For all signatures on this application, USCIS will not accept a stamped or typewritten name in place of a signature. If you are under 14 years of age, your parent or legal guardian may sign the application on your behalf. A legal guardian may also sign for a mentally incompetent person.

Filing Fee. Each application must be accompanied by the appropriate filing fee. (See the **What Is the Filing Fee** section of these Instructions.)

Acknowledgement of Appointment at USCIS Application Support Center. Review the ASC Acknowledgement that appears in **Part 2.** of the application. The purpose of this ASC Acknowledgement is to confirm that you have completed your application, reviewed your responses, and affirmed that the information was provided by you and is complete, true, and correct. If someone helped you fill out your application, that person must review the ASC Acknowledgement with you to make sure you understand it.

Evidence. At the time of filing, you must submit all evidence and supporting documentation listed in the **What Evidence Should You Submit** section of these Instructions.

Copies. You may submit legible photocopies of documents requested, unless the Instructions specifically state that you must submit an original document. USCIS may request an original document at the time of filing or at any time during processing of an application, petition, or request. If you submit original documents when not required, the documents may remain a part of the record, and USCIS will not automatically return them to you.

Translations. If you submit a document with information in a foreign language, you must also submit a full English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English.

How To Fill Out Form N-300

1. Type or print legibly in black ink.

Additional Information** or attach a separate sheet of paper; type or print your name and Alien Registration Number (A-Number) (if any) at the top of each sheet; indicate the **Page Number**, **Part Number**, and **Item Number** to which your answer refers; and sign and date each sheet.
3. Answer all questions fully and accurately.
