

AFFIDAVIT OF [REDACTED]

Yo, [REDACTED] declaro lo siguiente:

1. En los documentos del U.S. Department of Homeland Security mi nombre es escrito en esta manera: [REDACTED]
2. Yo soy de [REDACTED] Vine a Los Estados Unidos con mi hija de tres años. La fecha de nuestra detención fue el [REDACTED]
3. Tres o cuatro días después de llegar al centro de familia nos reunieron al grupo que llegamos juntos en la capilla y nos hablaron dos mujeres que dijeron que eran abogadas. Hablaron sobre el grillete, la fianza, y la manera de salir de aquí. Las mujeres nos dieron los nombres, pero no recuerdo cuáles eran.
4. Las mujeres nos dijeron que no aceptemos el grillete porque la mejor manera de salir es con la fianza. Con grillete no podríamos trabajar y les controlan a uno.
5. De la fianza no estaban seguras del costo pero dijeron que sería por lo menos \$3000 y que para reducir tendríamos que apelar.
6. Para salir de aquí podemos salir con la fianza que es la mejor manera y que si salimos con grillete no nos quitemos porque podía resultar en que nos traen otra vez al centro.
7. Llegamos a la media noche y la próxima mañana me llamo una oficial del ICE para decirme que me iban a regresarme a mi país. Le dije que me dieran el asilo. Entonces me hicieron firmar unas siete hojas. Le pregunté cuánto tiempo tomaría el proceso y ella me dijo que aproximadamente unos cuatro meses.

Declaro bajo pena de perjurio bajo las leyes de los Estados Unidos que lo dicho arriba es verdadero y correcto a lo mejor de mis conocimientos y memoria.

AFFIDAVIT OF

I, [REDACTED] declare the following:

1. In the documents of the U.S. Department of Homeland Security mi name is written in this manner:
[REDACTED]
2. I am from [REDACTED] I came to the United States with my three-year-old daughter. We were detained on [REDACTED]
3. Three or four days after coming to the family center our group was called together in the chapel and we were spoken to by two women who said they were lawyers. They spoke about the ankle monitor, the bond, and the manner in which to leave here. The women gave us their names, but I don't remember what they were.
4. The woman told us not to accept the ankle monitor because the best way to leave is on bond. With the ankle monitor we would not be able to work and one is controlled.
5. They were not certain about the cost of the bond, but said that it would be at least \$3000 to have the sum reduced we'd have to appeal.
6. We could leave here with the bond which is the best way and that if we leave with the ankle monitor we can't remove it because that could result in our being returned to the Center.
7. The next morning I was called by an ICE official to tell me they were going to return me to my country. I told them to give me asylum. Then they made me sign around seven sheets. I asked how long the process would take and she told me it would be around four months.

I declare under pain of perjury by the laws of the United States that what I've said above is true and correct to the best of my knowledge and memory.
