[Customer name], please take a moment to review the following acknowledgement of an appointment at a USCIS Application Support Center (ASC).

What is the purpose of this Acknowledgement?

The purpose of this ASC Acknowledgement is to confirm that you have completed your application, reviewed your responses, and affirmed that the information was provided by you and is complete, true, and correct. If someone helped you fill out your application, that person must review the ASC Acknowledgement with you to make sure you understand it.

USCIS will require that you appear for an interview and may also request that you provide fingerprints, a photograph, and/or a signature at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation, before making a decision on your application.

After USCIS receives your application and ensures it is complete, we will inform you in writing if you need to attend a biometric services appointment. If an appointment is necessary, the notice will provide you the location of your local or designated USCIS ASC and the date and time of your appointment or, if you are currently overseas, instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to set up an appointment. If you fail to attend your biometric services appointment, USCIS may deny your application.

I, [Applicant’s Full Name], understand that the purpose of a USCIS ASC appointment is for me to provide my fingerprints, a photograph, and/or a signature and to re-affirm that all of the information in my application is complete, true, and correct and was provided by me.

I understand that I will sign my name to the following declaration which USCIS will display to me at the time I provide my fingerprints, photograph, and/or signature during my ASC appointment.

By signing here, I declare under penalty of perjury that I have reviewed and understand my application, petition, or request as identified by the receipt number displayed on the screen above, and all supporting documents, applications, petitions, or requests filed with my application, petition, or request that I (or my attorney or accredited representative) filed with USCIS, and that all of the information in these materials is complete, true, and correct.

I also understand that when I sign my name, provide my fingerprints, and am photographed at the USCIS ASC, I will be re-affirming that:

- I willingly submit this application;
- I have reviewed the contents of this application;
- All of the information in my application and all supporting documents submitted with my application were provided by me and are complete, true, and correct; and
- If I was assisted in completing this application, the person assisting me also reviewed this **Acknowledgement of Appointment at USCIS Application Support Center** with me.

I am ready to sign my application
