Español

**If the office where you have an appointment is closed, then read about rescheduling.**

Omaha Field Office opens at 10 a.m. Wed., Feb. 3, due to the snow storm.

Street closures will be in effect in San Francisco until Feb. 12, 2016 as part of the hosting of Super Bowl 50. All customers visiting our USCIS Field Office are encouraged to take public transportation and to leave their cars at home. Visitors should plan ahead and allow for additional travel time to arrive on time for scheduled appointments. See the San Francisco Field Office page for more information.

### Office Closures

The following chart provides guidance on rescheduling your office or application support center (ASC) is closed. You should also check for more specific information about an office's rescheduling policy. Please use the Field Offices area of the website to find an individual office.

Customers are reminded that if inclement weather hinders their ability to appear at a USCIS office for an interview or appointment when that office is open, USCIS may exercise discretion to reschedule the appearance if the customers can show that their failure to appear was weather-related.

For more information or assistance, please contact your local office or call the National Customer Service Center at 1-800-375-5283.
