

# Expedited Removal Refresher and July 2019 Designation Training

The July 23, 2019 ER Designation

Exit

## When is the July 23, 2019 ER Designation Likely to be Used?

Although ER is an enforcement tool that may arise in many contexts, as a practical matter, ICE's most common uses of ER under the July 23, 2019 ER Designation will likely be in the following environments:

- Enforcement and Removal Operations (ERO)  
[Criminal Alien Program \(CAP\)](#)
- Homeland Security Investigations (HSI)  
[Worksite Enforcement \(WSE\)](#) operations

ERO CAP officers may encounter aliens arrested for committing crimes who are amenable to ER.

HSI Agents may encounter aliens during WSE operations who are amenable to ER.
