| | Additional Evidence Requirements for V Nonimmigrants | [no change] |
| | In addition to the General Filing Instructions and Initial Evidence required by the Form I-539 Instructions, you **must** submit: | |
| | 1. Form I-693, Report of Medical Examination and Vaccination Record, without the vaccination supplement; and | |
| | 2. Proof of filing of the immigrant petition that qualifies you for V nonimmigrant status, and if necessary, proof of filing of Form I-485, Application to Register Permanent Residence or Adjust Status. Proof of filing may be in the form of Form I-797, Notice of Action, that serves as a receipt or as a notice of approval, or a receipt for a filed Form I-130 or Form I-485, or notice of approval issued by a local district/field office. | |
| | If you do not have such proof, USCIS will review other forms of evidence, such as correspondence to or from USCIS regarding a pending petition. | |
| | If you do not have any of the above items, but believe you are eligible for V nonimmigrant status, you must state where and when the petition was filed, the name and alien registration number | |
of the petitioner, and the names of all beneficiaries.

**Part 3. Public Benefits**

In general, as a condition on the approval of this application, you must demonstrate that you have not received since obtaining the nonimmigrant status you seek to extend or from which you seek to change, one or more public benefits set forth in 8 CFR 212.21(b) (and listed below) for more than 12 months within any 36 month period (such that, for instance, receipt of two benefits in one month counts as two months).

You must provide information about all public benefits, as defined in 8 CFR 212.21(b) (and which are listed below), you have received since obtaining the nonimmigrant status you seek to extend or from which you seek to change. You do not need to provide information on your receipt of public benefits if you are filing under one of these categories: A1, A2, G1, G2, G3, G4, NATO1, NATO2, NATO3, NATO4, NATO5, NATO6, NATO7, T1, T2, T3, T4, T5, T6, U1, U2, U3, U4, U5).

Receipt means when a benefit-granting agency provides a public benefit to you whether in the form of cash, voucher, services, or insurance coverage. Only the public benefits received by or attributable to you will be considered.

In the space provided, please provide all requested information about each public benefit received, regardless of how long you received the public benefit. USCIS will calculate the duration you received public benefits, as described below, for purposes of determining your eligibility for an extension of stay or change of status. If you received public benefits intermittently throughout the year, provide each instance separately. For example, if you received SNAP from January to February and from June to December, list the information separately.

Indicate whether, since obtaining the nonimmigrant status you seek to extend or from which you seek to change, or have
been certified to receive, any of the following public benefits (You need to respond even if you fall within one of the categories of individuals for whom receipt of public benefits will not be considered – see table below for evidence that must be provided to document that you qualify for the exemption):

1. Any Federal, state, local, or tribal cash assistance for income maintenance including:
   2. Supplemental Security Income (SSI);
   3. Temporary Assistance for Needy Families (TANF);
   4. Federal, state, or local cash benefit programs for income maintenance (often called “General Assistance” in the state context, but which may exist under other names);
   5. Supplemental Nutrition Assistance Program (SNAP, formerly called “Food Stamps”);
   6. Section 8 Housing Assistance under the Housing Choice Voucher Program;
   7. Section 8 Project-Based Rental Assistance (including Moderate Rehabilitation);
   8. Public Housing under the Housing Act of 1937, 42 U.S.C. 1437 et seq.; and

If you have not received any of the above listed public benefits, please select that option.

If you are not certified to receive any of the above listed public benefits, please select that option.

If you have received or are certified to receive the public benefits but requested disenrollment, please provide, in addition to completing the information below, evidence of your request to disenroll if the public benefit-granting agency has not processed your request.

Unless you qualify for certain exemptions listed in the table below, you are ineligible for extension of stay and change of status if you have received, since obtaining the nonimmigrant status that you seek to...
extend or from which you seek to change, the benefits listed above for more than 12 months in the aggregate within any 36-month period (such that, for instance, receipt of two public benefits in one month counts as two months).

The following is a list of exemption from the public benefits listed above. If you belong to one of the following categories, submit the evidence listed below.
