LCA Fixes for system generated PDFs: On July 15, 2020, the FLAG Technical Team resolved the issue of the County value not displaying on system generated PDFs for Form ETA-9035. This fix was deployed for all LCA applications which were certified between July 1 - July 6, 2020.

On July 23, 2020, the FLAG Technical Team began investigating an issue where the "Certified Date" value is not displaying on system generated PDFs for Form ETA-9035. This issue impacts LCA applications certified July 1 - July 6, 2020. This issue was resolved on July 27, 2020, and all impacted cases were regenerated. Employers can access this new PDF from their Cases table in FLAG.
