

Scheduled Maintenance

On Friday, February 28, 2020, between 5:00 and 8:00PM Eastern Time, the U.S. Department of Labor will be conducting system maintenance and implementing new features for the Foreign Labor Application Gateway (FLAG) System. System users will not be able to access FLAG during this time. We apologize in advance for any inconvenience this may cause and thank you for your patience. Following today's maintenance, we request users to press ctrl + F5 on your keyboard to do a hard reload of the page, or use [another method](#) to clear your browser cache so that you can take advantage of several system improvements made.
