- Louisville
- Memphis
- New York City-Broadway
- New York City-Federal Plaza

These postponements and closures are effective March 18, 2020, through April 10, 2020. Detained cases will be heard as scheduled.

Further, Los Angeles – Olive Street Immigration Court is closed, effective March 18, 2020. Please check Twitter (@DOJ_EOIR), Facebook (Executive Office for Immigration Review), and our [website](#) for updates, including information about emergency filings for cases assigned to an immigration court that is temporarily closed.

Case status and hearing date information on the automated case information hotline and online application may not be updated for those cases postponed due to operational changes during the coronavirus pandemic. Following the issuance of a new hearing notice, such information will be updated. As always, court documents such as notices are your official source of information.
