Subject: Update on USCIS Visitor Policy

In light of some states and municipalities relaxing mask mandates and other COVID-19 restrictions, U.S. Citizenship and Immigration Services reminds the public that we will continue to enforce [our visitor policy](#) in all USCIS facilities. This includes a requirement that all visitors 2 years of age or older wear a face covering while in USCIS facilities.

USCIS continues to prioritize the health and safety of our customers and employees, as well as the American public. We will continue to review and update our policies as needed, consistent with President Biden's Jan. 20, 2021, [Executive Order on Protecting the Federal Workforce and Requiring Mask-Wearing](#).
