The Application for Naturalization is used to become a U.S. citizen through naturalization, which is the process you take to voluntarily become a U.S. citizen if you were born outside of the United States.

In general, you may be eligible if you can show continuous U.S. residence for three or five years, are at least 18 years old, and demonstrate good moral character and loyalty to the U.S. Constitution. You must also take the English and civics test, unless you qualify for an English language exemption or a medical disability exception.

You will need to select your basis for eligibility after you start your application.

If you are under 75 years old, the application fee is \$725. This includes the \$640 standard fee plus an \$85 biometrics service fee. If you are 75 years or older, there is no biometrics fee, so the application fee is \$640.

There is no filing fee if you are a member or veteran of any branch of the U.S. Armed Forces filing on your own behalf.

Refund Policy

USCIS does not refund fees, regardless of any action we take on your application, petition, or request.

By continuing this transaction, you acknowledge that you must submit fees in the exact amount and that you are paying the fees for a government service. You further agree that the filing fee, biometric fee, and any other paid costs related to this financial transaction are final and not refundable.

Please refer to the instructions for the form(s) you are filing for additional information or you may call the USCIS Contact Center at 800-375-5283. For TTY (deaf or hard of hearing) 800-767-1833.

Submitting your application online is the same as mailing in a completed paper form. They both gather the same information and cost the same.

We will automatically determine which documents you need to provide us as you fill out your application.

The other documents you need will depend on the information you provide in the application, such as your personal history, family, and circumstances.

After you submit your form, you can track its status through your USCIS account. Sign in to your account often to check your case status and read any important messages from USCIS.

If we need more information from you, we will send you a Request for Evidence (RFE) or a Request for Information (RFI). You can respond to our request and upload your documents through your USCIS account.

A few weeks after you submit your application, we will contact you to schedule an appointment at an Application Support Center near you. At the appointment, we will get your fingerprints, photograph, and signature.

After your biometrics appointment, we will schedule your interview at a local USCIS field office (unless you qualify for a special accommodation). At the interview, you will answer questions about your application and take the civics and English tests as required.

Once your application is approved, you will be ready to take the Oath of Allegiance. At your naturalization ceremony, you will return your Permanent Resident Card (Green Card), answer questions about your activity since the interview, take the Oath of Allegiance, and get your Certificate of Naturalization.

You should answer all questions in the Getting Started section first so we can best customize the rest of your online form experience.

You should provide as many responses as you can. Incomplete fields or sections and missing information can slow down the process after you submit your form.

We will automatically save your information when you select next to go to a new page or navigate to another section of the form. We will save your information for 30 days from today, or from the last time you worked on the form.

After you start your form, you can sign in to your account to continue where you left off.

If you want to apply for a disability exception, your disability or impairment must affect your ability to read, write, or speak the English language or learn U.S. civics, even with accommodations. Your disability must have affected you for at least 1 year or be expected to last longer than 1 year. If you qualify for a disability exception, an interpreter who is fluent in English and the language of your choice must come with you to your interview.

You cannot qualify for a disability exception based on illiteracy.

We will make every effort to make reasonable accommodations for applicants with disabilities who need modifications to naturalization process in order to demonstrate their eligibility.

- If you use a wheelchair, we will make sure you can be fingerprinted, interviewed, and sworn in at a location that is wheelchair accessible. All domestic USCIS facilities meet the Accessibility Guidelines of the Americans with Disabilities Act.

- If you are unable to travel to a designated USCIS location for an interview, USCIS may visit you at your home or a hospital to conduct the interview.

- If you use a service animal such as a guide dog, your animal may come with you to your interview or any other immigration benefit-related appointment.

- If you are blind or have low vision, USCIS may permit you to take a test orally rather than in writing.

- If you are hearing impaired, the officer conducting your interview will speak loudly and slowly, or we will work with you to arrange for a sign language interpreter.

As part of the naturalization process, you will need to provide evidence to support your application. These documents help us evaluate your application and verify your answers are true.

You are required to provide several documents now as part of submitting your application. You will also need to provide additional evidence, which you can submit now or bring to your naturalization interview.

Do not send or provide original documents to USCIS in the mail. Provide legible copies of your documents. If you are applying from outside the United States, you must upload a recent color photograph of yourself that measures 2 inches by 2 inches, with your face measuring 1 inch to 1 3/8 inch from your chin to the top of your head. Your eyes should be between 1 1/8 inch and 1 3/8 inch from the bottom of the photo.

Make sure your whole face is visible, you are facing the camera directly, and the background is white or off-white. Your head must be bare, unless contrary to your religious beliefs. Also, include an image of the back of the photograph with your name and A-Number written in pen or pencil.

If you need help understanding the photo requirements or want to resize, rotate, or crop your photo, you can use the Department of State's [Photo Requirements](#) page. Upload an image of both sides of your Permanent Resident Card (formerly known as the Alien Registration Card or Green Card).

Make sure all text is clear and readable. If you have lost the card, upload a copy of the receipt of your application. Upload a clear image of your marriage certificate from your marriage to your current spouse. Make sure the text is clear and readable. Upload a clear image of a completed and certified Request for Certification of Military or Naval Service (N-426).

If you are currently serving in an active duty status within the United States or abroad, provide a clear image of your official military orders. Upload a clear image of a completed and certified Request for Certification of Military or Naval Service (N-426).

If you ever served in the U.S. Armed Forces, provide a Certificate of Release or Discharge from Active Duty (DD Form 214) for all periods of service. Refer to Naturalization Information for Military Personnel (M-599) for eligibility requirements. You can obtain this information on the USCIS website at www.uscis.gov/military.

Including these documents now can help make the application process easier, but you can also bring them to your naturalization interview if you are unable to upload them now.

Tax returns are not required for every application, but we encourage you to provide them, especially if you are applying based on marriage to a U.S. citizen or have traveled outside of the United States for 6 months or more, or are applying based on lawful permanent residence for 5 years and have any federal, state, or local taxes that are overdue, you must provide income tax returns as evidence.
