Application For Naturalization

The Application for Naturalization is used to become a U.S. citizen through naturalization, which is the process you take to voluntarily become a U.S. citizen if you were born outside of the United States.

In general, you may be eligible if you can show continuous U.S. residence for three or five years, are at least 18 years old, and demonstrate good moral character and loyalty to the U.S. Constitution. You must also take the English and civics test, unless you qualify for an English language exemption or a medical disability exception.
