Do you have a physical or developmental disability or mental impairment that prevents you from demonstrating your knowledge and understanding of the English language and/or civics requirements for naturalization?

If you want to apply for a disability exception, your disability or impairment must affect your ability to read, write, or speak the English language or learn U.S. civics, even with accommodations. Your disability must have affected you for at least 1 year or be expected to last longer than 1 year. If you qualify for a disability exception, an interpreter who is fluent in English and the language of your choice must come with you to your interview.

You cannot qualify for a disability exception based on illiteracy.
Are you requesting an accommodation because of your disabilities and/or impairments?

We will make every effort to make reasonable accommodations for applicants with disabilities who need modifications to naturalization process in order to demonstrate their eligibility.

- If you use a wheelchair, we will make sure you can be fingerprinted, interviewed, and sworn in at a location that is wheelchair accessible. All domestic USCIS facilities meet the Accessibility Guidelines of the Americans with Disabilities Act.

- If you are unable to travel to a designated USCIS location for an interview, USCIS may visit you at your home or a hospital to conduct the interview.

- If you use a service animal such as a guide dog, your animal may come with you to your interview or any other immigration
