The Application for Replacement Naturalization/Citizenship Document (N-565) is used to apply to U.S. Citizenship and Immigration Services (USCIS) for a replacement of a Certificate of Naturalization, Certificate of Citizenship, Declaration of Intention, Repatriation Certificate, or to apply for a special certificate of naturalization to be recognized as a U.S. citizen by a foreign country.

Your eligibility to apply for a replacement document depends on the reason for your request. You may apply for a replacement if:

- You were issued a Certificate of Naturalization, Certificate of Citizenship, Declaration of Intention, or Repatriation Certificate which was lost, stolen, destroyed, or mutilated
- You were issued a Certificate of Naturalization, Certificate of Citizenship, Declaration or Repatriation Certificate which is incorrect due to a typographical/clerical error by USCIS
- Your name was changed by marriage or by court order after the document was issued and you seek a document in your new name
- You received your Certificate of Citizenship and afterwards you obtained a court order or a state-issued document that changes your date of birth and you seek a certificate with the new date of birth
- You were issued a Certificate of Citizenship or a Certificate of Naturalization and your change of gender is legally recognized through a court order, a government-issued document, or a medical certification
- You are a naturalized citizen seeking a special certificate of naturalization for the purpose of a foreign country recognizing you as a citizen of the United States.

NOTE: USCIS will not change your name without evidence such as a marriage certificate, divorce decree, or court order. We will not change the date of birth on a Certificate of Citizenship without documentation such as a U.S. court order or state-issued documents.

Fee: \$545

If your current document is incorrect due to a typographical or clerical error caused by USCIS, there is no fee. If you are applying for a fee waiver, you cannot submit your request online and will need to file a paper form instead.

Refund Policy: USCIS does not refund fees, regardless of any action we take on your application, petition, or request. By continuing this transaction, you acknowledge that you must submit fees in the exact amount and that you are paying the fees for a government service.

Submitting your application online is the same as mailing in a completed paper form. They both gather the same information and cost the same.

Before starting the Application for Replacement Naturalization/Citizenship Document (N-565), you may want to gather the documents you will need to support your application. These include your original document, if you still have it, and a recent color photograph of yourself.

The other documents you need will depend on the information you provide in the application, such as the reason you are requesting the replacement document. We will tell you which documents you need to submit in the Evidence section of the application.

After you submit your application, you can track its status through your USCIS account. Sign in to your account often to check on your case status and read any important messages from USCIS. USCIS may require you to mail your original document. This is required if you are applying for a new document for one of the reasons below.

- Current document is mutilated
- Current document has a typographical/clerical error caused by USCIS
- Name changed
- Date of birth changed
- Gender changed

You should include your A-Number with your original document.

Mail your original document to:
USCIS Nebraska Service Center
850 S. Street
Lincoln, NE 68508

If we need more information from you, we will send you a Request for Evidence (RFE) or Request for Information (RFI). You can respond to our request and upload your documents through your USCIS account.

You should answer all questions in the Getting Started section first so we can best customize the rest of your online application experience.

You should provide as many responses as you can, to the best of your knowledge, throughout the application. Incomplete fields or sections and missing information can slow down the process after We will automatically save your information when you select "next" to go to a new page or navigate to another section of the application.
