U.S. Department of Labor

- E.1. Not later than the next business day after submitting the I-129 petition for H-2B worker(s), I will place a new job order for the job opportunity with the State Workforce Agency (SWA) serving the area of intended employment, following all applicable SWA instructions for posting job orders, with the job assurances and contents set forth in 20 CFR 655.18 for recruitment of U.S. workers at the place of employment. I will ensure the job order remains posted for at least 15 calendar days, and agree to receive applications in all forms allowed by the SWA, including online applications;
- E.2. During the period of time the SWA is actively circulating the job order for intrastate clearance, I will contact, by email or other available electronic means, the nearest comprehensive American Job Center (AJC) offering business services and serving the area of intended employment where work will commence, request staff assistance advertising and recruiting qualified U.S. workers for the job opportunity, and provide to the AJC the unique identification number associated with the job order placed with the SWA or, if unavailable, a copy of the job order;
- E.3. During the period of time the SWA is actively circulating the job order for intrastate clearance, I will contact, by mail or other effective means my former U.S. workers, including those workers who were furloughed and laid off, during the period beginning January 1, 2019, until the date the I-129 petition is submitted to DHS, who were employed in the occupation at the place of employment (except those who were dismissed for cause or who abandoned the worksite). I will disclose the terms of the job order to these workers, and I will solicit all workers described above to return to the job. I will make this contact and provide the disclosures required by this paragraph in a language understood by the worker, as necessary or reasonable;
- E.4. During the period of time the SWA is actively circulating the job order for intrastate clearance, I will provide a copy of the job order to the bargaining representative of my employees in the occupation and area of intended employment, consistent with 20 CFR 655.45(a), or if there is no bargaining representative, I will post the job order in the places and manner specified in 20 CFR 655.45(b). I will make this contact and provide the disclosures required by this paragraph in a language understood by the worker, as necessary or reasonable; and
- E.5. I will hire any qualified and available U.S. worker who applies or is referred for the job opportunity until the date on which the last H-2B worker departs for the place of employment, or 30 days after the last date on which the SWA job order is posted, whichever is later. I understand that consistent with 20 CFR 655.40(a), applicants can be rejected only for lawful job-related reasons.
- (F) I attest that my business will comply with all Federal, State and local employment-related laws and regulations, including health and safety laws and laws related to COVID-19 worker protections, including any right to time off or paid time off for COVID-19 vaccination, and will notify any H-2B workers approved under the supplemental cap, in English and to the extent necessary, in a language the workers understand, that all persons in the United States, including nonimmigrants, have equal access to COVID-19 vaccines and vaccine distribution sites.
