

I \_\_\_\_\_, as a volunteer, will be permitted access to personal information in order to perform intake work and pro se legal assistance related to individuals fleeing Afghanistan.

I agree to keep all information that I learn about the individual(s) confidential. Information to be kept confidential includes but is not limited to: the association of the individual with any organizations, the nature of the individual's inquiry or legal issue; the individual's name; information about the individual's family; and any other information disclosed by the individual or obtained during the course of pro se legal assistance. I understand that I may not discuss or disclose any information related to any individual to anyone, including the individual's family members or friends, and members of the community. I understand that this duty will extend after I am no longer providing the individual with legal assistance.

Both state and federal law protect the confidentiality of client information. By signing below, I hereby indicate that I understand and agree to maintain the privacy of individual(s)' legal and personal information disclosed to me.
