USCIS Expands Credit Card Payment Pilot Program to California Service Center

Release Date : 11/05/2021

As part of our credit card payment pilot program, the California Service Center is now accepting credit card payments using [Form G-1450, Authorization for Credit Card Transactions](#), for petitioners filing [Form I-129, Petition for a Nonimmigrant Worker](#), for O and P nonimmigrants.

At the end of the pilot, we will evaluate the results and determine the next steps for expanding this payment option for other forms or other service centers. The goal of this pilot is to bring USCIS one step closer to accepting digital payments using a credit card at all service centers.

We [started](#), and then [expanded](#), this program at the Nebraska Service Center, and then further expanded the program to the [Texas](#) and [Vermont](#) service centers.

For more information, please see our [Direct Filing Addresses for Form I-129](#) page.
