

AMI Participation Checklist

Applicant Name: _____

A#: _____

To be in the AMI process, the applicant must:

- Be a single adult detained at a designated detention location during the credible fear process;
- Not have any indicators that may cause ICE to make an unfavorable determination regarding detention release (i.e., egregious public safety or national security concern);
- Communicate effectively during the CFI interview using a USCIS-provided interpreter;
- Receive a positive credible fear determination;
- Have a history of classifiable prints (i.e., have an FBICMF encounter which references an enforcement encounter's EID in the CPMS IVT comments); and
- Reside or will reside within the primary jurisdiction of one of the following EOIR locations: Boston, Los Angeles, Miami, Newark, New York, or San Francisco.

The applicant is (check one):

- recommended for AMI since all participation factors are met. OR
- not recommended for AMI since one or more of the participation factors are not met.
