**TPS for Venezuela Extended for 18 Months; EADs Automatically Extended Through Sept. 9, 2023**

09/08/2022

Secretary of Homeland Security Alejandro Mayorkas extended Temporary Protected Status (TPS) for Venezuela through March 10, 2024. Current beneficiaries who want to maintain their status must re-register Sept. 8, 2022 through Nov. 7, 2022.

Given the time frames for processing TPS re-registration applications, USCIS has automatically extended the validity of certain Employment Authorization Documents (EADs) issued under the TPS designation for Venezuela through Sept. 9, 2023.

### **Creating an E-Verify Case**

Once a new employee has completed Form I-9, Employment Eligibility Verification, create a case in E-Verify for this employee. Enter the EAD document number you entered on Form I-9, as well as the automatically extended date of Sept. 9, 2023. You must reverify these employees on Form I-9 before they start work on Sept. 10, 2023.
