**Notice to Those Paying by Check.** If you send USCIS a check, we will convert it into an electronic funds transfer (EFT). This means we will copy your check and use the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually take 24 hours and your bank will show it on your regular account statement.

You will not receive your original check back. We will destroy your original check, but will keep a copy of it. If USCIS cannot process the EFT for technical reasons, you authorize us to process the copy in place of your original check. If your check is returned as unpayable, we will re-submit the payment to the financial institution one time. If the check is returned as unpayable a second time, we will reject your application and charge you a returned check fee.

**How To Check If the Fees Are Correct**

Form I-765's filing fee is current as of the edition date in the lower left corner of this page. However, because USCIS fees change periodically, you can verify that the fee is correct by following one of the steps below.

You will not receive your original check back. We will destroy your original check, but will keep a copy of it. If USCIS cannot process the EFT for technical reasons, you authorize us to process the copy in place of your original check. If your check is returned as **unpayable, we may** reject your **application.**

**Payments by Credit Card**

If you are filing your form at a USCIS Lockbox facility, you can pay your filing **fee using** a credit card. Please see Form G-1450, Authorization for Credit Card Transactions, at [www.uscis.gov/G-1450](http://www.uscis.gov/G-1450) for more information.

**When Filing at a Field Office**

**Cash, a cashier's check or money order cannot be used to pay for the filing fee at a field office. The only payment options accepted at a field office are payment through pay.gov via a credit card, debit card or with a personal check.**
