USCIS  
Form N-300

Department of Homeland Security  
U.S. Citizenship and Immigration Services

## What Is the Purpose of Form N-300?

Form N-300, Application to File Declaration of Intention, enables you, a lawful permanent resident, to notify U.S. Citizenship and Immigration Services (USCIS) that you intend to become a citizen of the United States. **USCIS does not require** that you file this application to become eligible for naturalization.

## Who May File Form N-300?

You may file this application if:

1. You are a lawful permanent resident over 18 years of age; and
2. You are currently residing in the United States pursuant to a lawful admission for permanent residence.

## General Instructions

USCIS provides forms free of charge through the USCIS website. In order to view, print, or fill out our forms, you should use the latest version of Adobe Reader, which you can download for free at <http://get.adobe.com/reader/>. If you do not have Internet access, you may call the USCIS National Customer Service Center at **1-800-375-5283** and ask that we mail a form to you. For TTY (deaf or hard of hearing) call: **1-800-767-1833**.

**Signature.** Each application must be properly signed and filed. For all signatures on this application, USCIS will not accept a stamped or typewritten name in place of a signature. If you are under 14 years of age, your parent or legal guardian may sign the application on your behalf. A legal guardian may also sign for a mentally incompetent person.

**Validity of Signatures.** USCIS will consider a photocopied, faxed, or scanned copy of the original, handwritten signature valid for filing purposes. The photocopy, fax, or scan must be of the original document containing the handwritten, ink signature.

**Filing Fee.** Each application must be accompanied by the appropriate filing fee. (See the **What Is the Filing Fee** section of these **Instructions**.)

**Evidence.** At the time of filing, you must submit all evidence and supporting documentation listed in the **Specific Instructions** and/or **What Evidence Must You Submit** sections of these Instructions.

**Biometric Services Appointment.** USCIS may require that you appear for an interview or provide fingerprints, photograph, and/or a signature at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application, petition, or request. After USCIS receives your application and ensures it is complete, we will inform you in writing if you need to attend a biometric services appointment. If an appointment is necessary, the notice will provide you the location of your local or designated USCIS Application Support Center (ASC) and the date and time of your appointment or, if you are currently overseas, instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to set up an appointment.

---

---

If you are required to provide biometrics, at your appointment you must sign an oath reaffirming that:

1. You provided or authorized all information in the application;
2. You reviewed and understood all of the information contained in, and submitted with, your application; and
3. All of this information was complete, true, and correct at the time of filing.

If you fail to attend your biometric services appointment, USCIS may deny your application.

**Copies.** You should submit legible photocopies of documents requested, unless the Instructions specifically state that you must submit an original document. USCIS may request an original document at the time of filing or at any time during processing of an application, petition, or request. If USCIS requests an original document from you, it will be returned to you after USCIS determines it no longer needs your original.

**NOTE:** If you submit original documents when not required or requested by USCIS, **your original documents may be immediately destroyed upon receipt.**

**Translations.** If you submit a document with information in a foreign language, you must also submit a full English translation. The translator must sign a certification that the English language translation is complete and accurate, and that he or she is competent to translate from the foreign language into English. The certification must include the translator's signature. The Department of Homeland Security (DHS) recommends the certification contain the translator's printed name, the date, and the translator's contact information.

### How To Fill Out Form N-300

2. If you need extra space to complete any item within this application, use the space provided in **Part 5. Additional Information** or attach a separate sheet of paper; type or print your name and Alien Registration Number (A-Number) (if any) at the top of each sheet; indicate the **Page Number**, **Part Number**, and **Item Number** to which your answer refers; and sign and date each sheet.
3. Answer all questions fully and accurately. If a question does not apply to you (for example, if you have never been married and the question asks "Provide the name of your current spouse"), type or print "N/A," unless otherwise directed.
