Who Is AILA?

The **American Immigration Lawyers Association (AILA)** is the national association of more than 18,000 attorneys, law students, and paralegals dedicated to advancing the practice of immigration law.

AILA member attorneys represent U.S. families seeking permanent residence for close family members, U.S. businesses seeking talent from the global marketplace, as well as international students, entertainers, athletes, and asylum seekers. As a trusted leader and voice in our community, our members turn to us for solutions to their everyday practice needs.
