USCIS Processing Time Information for the Nebraska Service Center

Posted: September 19, 2014

Instructions for Using the Chart

The chart will show most of the types of forms processed at the field office or service center. You can select the form type that applies to your case from the drop-down menu.

If the field office or service center is meeting its goal for processing a form, you will find the timeframe listed in months. For example, if the office is processing Form N-400 naturalization applications in five months or less, then the chart will say "5 months." However, if the office is experiencing a processing delay, you will find the filing date of the last case that the office completed before updating the chart.

Important Information About Form I-765, Application for Employment Authorization

You can now submit inquiries about the status of your Form I-765 after your case has been pending more than 75 days.

- Please note that for Form I-765 category (c)(8), based on a pending asylum application, the processing timeframes listed only apply to an initial filing.
- Please note that the 90-day period for adjudicating Form I-765 category (c)(33) filed together with Form I-821D, requesting deferred action for childhood arrivals, does not begin until we have made a decision on your request for deferred action.
