Affirmative Asylum Scheduling Bulletin

This bulletin explains how the Asylum Division prioritizes the adjudication of affirmative applications for asylum. On December 26, 2014, we began prioritizing asylum applications for interview scheduling as follows:

- 1.) Applications that were scheduled for an interview, but the interview had to be rescheduled at the applicant’s request or the needs of USCIS;
- 2.) Applications filed by children; and
- 3.) All other pending affirmative asylum applications in the order they were received, with oldest cases scheduled first.

Generally, applicants in the first and second categories are scheduled promptly.

The table below lists how the asylum offices are currently scheduling asylum interviews for applications pending in the third category. It provides the filing dates (month and year) of most asylum applications scheduled for local interviews during that particular month. We have created this system to provide applicants in the third category an estimate for when they might expect their interview to be scheduled. The approximations provided in the table are based on interviews scheduled during the listed month and future movement will be determined by each office’s caseload and resources. For example, in June 2015, the Arlington Asylum Office conducted interviews for applications filed in August 2013. It currently does not include asylum interviews occurring outside of the eight asylum offices or the Boston sub-office (e.g. interviews occurring on circuit rides). Asylum offices schedule circuit ride interviews as resources permit. Please contact the asylum office with jurisdiction over your case for more detailed information.

Asylum office directors may consider applicants’ requests for urgent interview scheduling outside of the prioritization categories on a case-by-case basis. Please submit any urgent interview scheduling requests in writing to the asylum office with jurisdiction over your case. Go to the [USCIS Service and Office](#) locator page for contact information.

Please Note: The table does not include interviews for [Form I-881, Application for Suspension of Deportation or Special Rule Cancellation of Removal \(Pursuant to Section 203 of Public Law 105-100 \(NACARA\)\)](#).

Note: The filing dates of scheduled interviews may not change every month for every office. This can occur when an office is conducting more credible and reasonable fear interviews, has a large number of category 1 and 2 affirmative asylum cases, or has a large number of pending category 3 cases with filing dates from that particular month. Some affirmative asylum interviews were scheduled outside of the above date ranges.
