Subject: Texas Service Center Moving to New Address on June 26

On June 26, the Texas Service Center will move to a new address. Although the move is scheduled for June 26, USCIS cannot accept mail at the new address until Monday, June 29. The new facility will help streamline processes by consolidating operations in the new location. The Texas Service Center will continue to provide prompt and efficient service in processing requests for immigration benefits. The updated address for the service center will be:

Texas Service Center
6046 N Belt Line Rd.
Irving, TX 75038-0001

Please refer to form filing address pages on uscis.gov in the coming days to find the specific address information, including suite numbers, you should include depending on which form you are submitting. As a reminder, service centers do not provide in-person services; conduct interviews; or receive walk-in applications, petitions, or questions.
