FY 2025 H-1B Electronic Registration Process

Wednesday, Feb. 21, 2024 | 2 – 3:30 p.m. Eastern

U.S. Citizenship and Immigration Services (USCIS) invites you to participate in a webinar on **Wednesday, Feb. 21, 2024**, from **2 – 3:30 p.m. Eastern**.

During this webinar, USCIS representatives will:

- Share updates on changes to the FY 2025 H-1B electronic registration process;
- Provide a step-by-step overview of how to submit H-1B registrations; and
- Host a question-and-answer session.

Prospective H-1B cap-subject petitioners, including those seeking to file a petition for a beneficiary who is eligible for the advanced degree exemption, must first electronically submit a registration for each beneficiary on whose behalf they seek to file an H-1B cap-subject petition. A prospective H-1B cap-subject petitioner whose registration is selected is then eligible to file an H-1B cap-subject petition for the beneficiary named in their selected registration during the associated filing period.

To submit H-1B registrations online, prospective H-1B cap-subject petitioners or their legal representatives must first visit my.uscis.gov to create a free USCIS online account.

If you missed our webinars on the new features in the USCIS online accounts for prospective [H-1B cap-subject petitioners](#) and [legal representatives](#), we have posted the PowerPoints to the Electronic Reading Room.

To Register:

1. Visit our [registration page](#).
2. You will be asked to provide your email address and select "Submit."
3. On the next screen, you will see a notification that you successfully subscribed to this event.

Once we process your registration, you will receive a confirmation email with additional details.

If you have any questions, or if you have not received a confirmation email within three business days, please email us at public.engagement@uscis.dhs.gov.
