U.S. Citizenship and Immigration Services National Benefits Center Processing Dates Posted April 21, 2005

The U.S. Citizenship and Immigration Services processes cases in the order in which they are received. Due to the high workload, most of the time your case is pending we will be processing cases that were filed earlier than yours. This chart tells you which cases the Center is processing and the date the cases were received by the Center.

How Do I Use Chart:

Locate the type of application or petition you filed under the heading "Form" or "Form Name". Follow the form/form name across to the heading "Processing Cases with Receipt Date of". The date shown in this column represents the filing date of the application or petition that is currently being processed at this Office.

When Can I Call The National Customer Service Center?

If you filed your case 30 days or more before the date shown on the chart, and you have not received a request for evidence, a decision, or another notice in the last thirty days, please call our National Customer Service Center at 1-800-375-5283.

If you received a request for evidence and responded to it over 60 days ago and have not received a decision, please call our National Customer Service Center at 1-800-375-5283.
