

USCIS H-1B ONLINE REGISTRATION FOR ATTORNEYS AND ACCREDITED REPRESENTATIVES

February 2021

Opening Remarks – slide 1

Today we will provide an instructional overview of the H-1B electronic registration process in myUSCIS for attorneys and representatives.

Through myUSCIS, users can create legal representative accounts, file certain applications and petitions, and submit registrations, online for your clients and then track the status of submitted cases for each client.

Legal representatives and registrants will need to create a myUSCIS online account and log into the portal to complete the H-1B electronic registration process.

H-1B cap-subject petitioners, including those eligible for the advanced degree exemption, are required to first register prospective beneficiaries electronically with USCIS in order to enter the beneficiaries into the selection process for filing an H-1B cap-subject petition for fiscal year 2022. There is a \$10 H-1B registration fee for each beneficiary registered with USCIS for the H-1B cap selection process.

However, creating a myUSCIS online account is free.

During today's presentation, we will show you how to create your own free myUSCIS account; how to submit an electronic H-1B registration on behalf of your client and pay the fee; and how to submit the corresponding form G-28, Notice of Entry of Appearance as an Attorney or Accredited Representative.

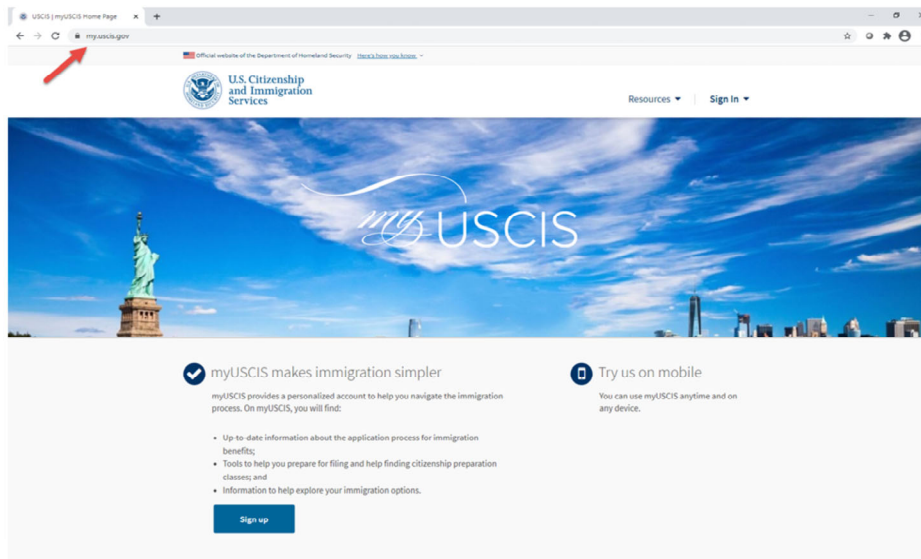

When submitting a registration, you can be sure that:

- You filled out all the required parts of the registration, and
- You will receive an online confirmation once USCIS receives your registration.

You also will be able to:

- Receive automatic updates concerning your registration, and
- Conveniently and securely pay registration fees online.

myUSCIS Overview - slide 2

This is the myUSCIS landing page. You begin your registration process here by entering my.uscis.gov into the address bar of your browser.

myUSCIS is an online portal that serves as a one-stop shop for immigration information, various tools, and resources to help applicants and registrants navigate the immigration process.

It is accessible any time at my.uscis.gov from any mobile device or desktop computer.

USCIS ONLINE ACCOUNT CREATION

USCIS Online Account Creation - slide 3

You must create a free myUSCIS account in order to complete the H-1B electronic registration process and pay the associated fee.

If you already have an account, you can access your account login directly from my.uscis.gov by clicking the “Sign In” button in the top right corner. If you do not have an account, you can create one by clicking the “Create Account” button in the top right corner.

For the purposes of this presentation, I am going to be a new user so that we can go through the process of creating a new online account.

I will start by clicking the “Create Account” button in the top right corner. You can also click the blue “Sign up” at the bottom of the page.

USCIS ONLINE ACCOUNT CREATION

A screenshot of the USCIS online account creation page. The page is titled "Sign Up" and includes instructions for creating an account. It features two numbered steps: 1. "Email" with a text input field, and 2. "Email confirmation" with a text input field. A "Sign Up" button is highlighted with a red circle. Below the form, there is a "Sign In" link and a "Legal" section with links to "Department of Homeland Security Consent", "DHS Privacy Notice", "Paper Reduction Act Burden Disclosure Notice", and "Terms of Use".

USCIS Online Account Creation – slide 4

Once I click on the “Create Account” button, the system will prompt me to enter an e-mail address. Users should use a unique e-mail address, and not one that is shared.

I will then confirm my e-mail address and click sign up.

When you create your account, the system will send a notification to your e-mail asking you to confirm your USCIS account request.

From your e-mail, you will click on the link...

The screenshot shows the "Create a Password" form on the USCIS website. At the top left of the form is the USCIS logo and the text "U.S. Citizenship and Immigration Services". The main heading is "Create a Password". Below this, a message states: "Your password must be between 8 and 64 characters, and can contain letters, numbers, special characters and emojis." There is a blue button labeled "Password Tips". The form contains two input fields: "Password" and "Password confirmation". Each input field has a "Show Password" link to its right. Below the "Password" field is a "Password strength" indicator consisting of a horizontal bar with segments. At the bottom of the form is a blue "Submit" button.

The system will redirect you to the "Create a Password" page, where you will need to enter and then confirm your own password for the account. Passwords must be between 8 and 64 characters and can contain letters, numbers, and special characters.

Two-Step Verification Method

Every time you log in, you will be given a verification code. What is your preferred method to receive your verification code?

Use an Authentication App
Retrieve codes from an authentication app (such as Authy or Google Authenticator) on your mobile device.

SMS Text Message
Receive a text message to your mobile device when signing in.

Email
Receive an Email when signing in.

You can use most Time-Based, One-Time Password (TOTP) applications for added security, which will ask you to enter a unique verification code generated by the selected application on your mobile device.

USCIS advises that you read the privacy policies of any application you use, especially if you share any personal information. USCIS is not responsible for the information collection practices of non-USCIS applications.

ADDING CLIENTS TO myUSCIS

Adding Clients to myUSCIS – slide 17

Now that we have finished the account creation portion, the next steps and information requested will be the same for both Accredited Representatives and Attorneys throughout the registration process.

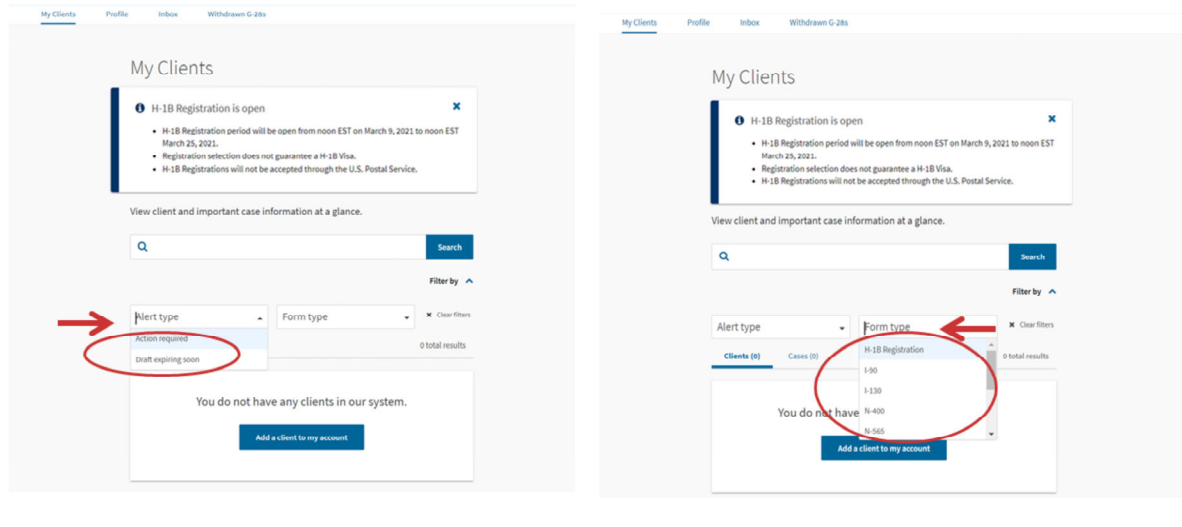

This is what your homepage will look like when you log in. You will see tabs labeled My Clients, Profile, Inbox and Withdrawn G28s.

This page will allow you to start adding clients to your account.

The message at the top of this page will let you know if the registration period is open. The initial registration period will remain open from **noon Eastern on March 9 to noon Eastern on March 25**. All registrations properly submitted during the initial registration period will be included in the selection process regardless of whether they were received on March 9 or March 25. It does not matter if you enter one registration or 500 registrations for a company. Each individual registration received between March 9 and March 25 will be entered into the selection process.

If you already have clients and cases in the system, you would see them displayed here and would be able to Filter by “Alert Type or Form Type.”

ADDING CLIENTS TO myUSCIS

Adding Clients to myUSCIS – slide 18

Filtering by “Alert Type,” allows you to see cases with “Action required” or “Draft expiring soon.”

“Action required,” will display any cases that have a Request for Evidence or an appointment notice available. (Note: this will not be relevant for H-1B registrations since they do not have RFEs or appointments.)

“Draft expiring soon” allows you to view only the draft entries that may be expiring soon. Once you start a form in myUSCIS, we will automatically save your information for 30 days following any update. After 30 days, if you don’t submit it, the system will discard the draft.

Filtering by “Form Type,” allows you to view only the form type that you select. You can select I-90 to view all Forms I-90. Or select H-1B Registration in this case, to see all H-1B registrations.

Since we are a new account creator, we do not have any cases to filter or any clients in the system, as indicated on the homepage.

Click the blue “Add a client to my account” button to add a client to the system.

For the purposes of the H-1B electronic registration process, there are several tiers. The Registrant is the prospective petitioning individual, company, entity, or organization. The Beneficiary is the person that the company is trying to employ.

You are the Attorney or Accredited Representative that is submitting a registration for the petitioner, referred to in the system as the "company," on behalf of the beneficiary.

You are completing this electronic registration process for the company. The company is your client, so you must select company.

The system will not allow you to enter an H-1B registration if you choose person. This option only appears under the "Company" option.

The page also notifies you that each prospective petitioner may submit only one registration per beneficiary in any fiscal year. If a prospective petitioner submits more than one registration per beneficiary in the same fiscal year, all registrations for this particular beneficiary submitted by that prospective petitioner will be considered invalid and deleted from the selection process.

Only registrations filed by or on behalf of this company or entity for this beneficiary will be deleted from the selection process. If the company properly submitted other registrations for different beneficiaries, those valid registrations will remain in the system for the selection process.

You have until March 25, while the initial registration period is still open, to log into your account, review all of your H-1B registrations and delete any duplicate registrations.

Finish the H-1B Registration and continue to the G-28

By finishing this form, we will prepare a draft H-1B Registration for your client to review and sign. If your client does not approve the information provided in the H-1B Registration, you will need to edit the information in the form, and resubmit it for your client's review.

Next you will continue to the G-28. When you submit the G-28, we will give you a passcode for your client to add you as his or her representative in his or her USCIS online account. Once you are added, your client will have access to review the draft H-1B Registration and the draft G-28.

[Finish and continue](#)

And now you will be routed over to fill out the G-28.

When you submit the G-28, the system will generate a passcode for your client to add you as his or her representative. Once you are added, your client will have access to review the draft H-1B registration(s) and this G-28, and approve the information provided in both. If your client does not approve the H-1B registration(s) or the G-28, you will need to edit the information and resubmit the registration(s) or the G-28 for your client's review.

As we stated earlier, you may enter up to 250 beneficiaries as part of one payment and submission. Stated another way, you may submit 250 registrations in one batch submission, and make one payment of \$2,500. If this client were to have 300 prospective beneficiaries, then you would have a second submission, with the additional 50 beneficiaries and a payment of \$500. You will need to complete a separate G-28 for that second submission as well.

G-28

Notice of Entry of Appearance as Attorney or Accredited Representative

G-28

The Notice of Entry of Appearance as Attorney or Accredited Representative is for attorneys and accredited representatives to provide information to establish their eligibility to appear for and act on behalf of an applicant, petitioner, requester, beneficiary or derivative, or respondent in immigration matters.

An attorney or accredited representative must complete and submit a new G-28 form for each client case. The G-28 can be started along with a client's new case or it can be added to a client's already-submitted case. USCIS will only recognize a completed G-28 once the client has reviewed and signed the form.

Before you start the G-28

Who should complete this form

You should only complete this form if you are an attorney or accredited representative as defined in 8 CFR 1.2 and 292.1(a)(4) or 1292.

Law students and graduates

If you are a law student or law graduate who is working under the direct supervision of an attorney or accredited representative, you will need to provide your name on the form.

Foreign attorneys

If you are an attorney not licensed to practice law in the United States, you should not use this form. Instead, you will need to file the Notice of Entry of Appearance as Attorney in Matters Outside the United States (G-281).

Other representatives

If you are seeking to appear as a reputable individual as defined in 8 CFR 292.1(a)(3), you should not use this form. Instead, you will need to seek permission from DHS to appear with your client.

After You Complete The G-28

Your client adds you as his or her representative

After you complete the G-28 and provide your signature, we will give you a one-time passcode to give to your client. Your client will need to sign in to his or her USCIS account (or create a new one) and enter this code to officially add you as a representative.

Your client reviews and signs the G-28 (for new cases)

After you are finished filling out the G-28 and your client adds you as a representative, he or she will need to review the information provided in the form.

If all the information is correct, your client will accept the G-28 and then provide his or her signature. If the information is incorrect, your client will decline the G-28 and we will send it back to you to make updates. If you are also filing a new case for your client, your client will need to review the information provided in each form. He or she can accept or decline each form.

If you are adding a G-28 to your client's already-submitted case, the case status will be updated referencing the G-28.

You submit and pay for your client's online form (for new cases)

Once your client reviews and signs the online form, a link will appear on your account home page that takes you to a page to submit the G-28 along with your client's online form, and pay the fee for your client's form (if there is one).

Now we will take a look at the steps that your client will need to complete from their account.

The client must create their own account and **must** select “**H-1B registrant**” account type when they set it up.

A registrant is the prospective petitioning individual, company, entity, or organization seeking to file an H-1B cap-subject petition to authorize employment of the prospective beneficiary. They cannot select the “applicant” account type.

H-1B Registration

A U.S. employer or agent (prospective petitioner) who seeks to obtain H-1B nonimmigrant classification on behalf of an individual subject to the H-1B numerical allocations will need to submit a registration during a designated registration period, unless the registration requirements is suspended by USCIS.

Prospective petitioners, or their attorney or accredited representatives, may submit up to 200 registrations per submission.

The annual initial registration period will last a minimum of 14 calendar days and will start at least 14 calendar days before the earliest date on which an H-1B cap subject petition may be filed for a particular fiscal year.

If a sufficient number of registrations projected as needed to reach the H-1B regular cap have not been received within the initial registration period, USCIS will notify all registrants who have properly registered that their registrations have been selected. USCIS will have registrative cases open the initial registration period until USCIS has determined that it has received enough registrations projected as needed to reach the H-1B regular cap.

After the end of the initial registration period, if USCIS has received more registrations than needed to meet the projected number of registrations to reach the regular cap, we will randomly select a sufficient number of registrations. A similar process will apply for those who may be eligible for the advanced degree exemption. A Form I-29, Petition for a Nonimmigrant Worker, may then be filed by the petitioner based on a selected registration to request classification of the beneficiary as an H-1B worker.

Before you start your registration

Eligibility

A U.S. employer or agent may file H-1B cap petitions, and as such, will be required to submit an H-1B registration for its eligible H-1B cap petition.

U.S. Employers: Persons or entities in the U.S. that

- Employ a person to work in the U.S.,
- Have an immediate employment relationship with the beneficiary, and
- File an I-29.

Agents: A U.S. individual or company in business as an agent may file an H-1B registration for workers who are traditionally self-employed or workers who use agents to arrange their own employment on their behalf with numerous employers, and in whom a foreign employer authorizes the agent to act on its behalf.

Duplicates

A registrant (prospective petitioner) may only submit one registration per beneficiary in any fiscal year. If registration submits more than one registration per beneficiary in the same fiscal year, all registrations filed by that registrant related to the beneficiary for the fiscal year will be considered invalid.

OD Fee

Fee: \$30 per registration

We will send you to Pay.gov, our safe, secure payment website, to make your payment and submit your registration online. If your current document is stamped due to a typographical or clerical error caused by USCIS, there is no fee.

Important Payment Requirements

When paying with check please be sure to enter the bank routing number and bank account number accurately. While the status of the registration in the system will indicate "submitted" following completion of the pay.gov payment process, the submission will only be valid once payment clears. If your checking information is not accurate your payment will be declined when presented to your financial institution. If your payment is declined your H-1B registration will be cancelled.

If payment is completed with a credit card or debit card the status of the registration in the system will indicate "submitted" following completion of the pay.gov payment process. The submission, however, will only be valid once processing of the payment is completed. If the payment is later declined or disputed, the registration will be cancelled.

Money orders, certified bank checks and non-releasable debit cards cannot be used as a form of payment in the Pay.gov system.

If you use a business checking account to make your payment please ensure that your institution does not restrict or block ACH Payments for the services. If your business checking account is restricted your payment will be declined. Your registration will be cancelled.

Refund Policy

By completing this transaction, you agree that you have paid for a government service and that the filing fee, business services fee and all related financial transactions are final and non-refundable, regardless of an active USCIS file on an application, petition or request, or how long USCIS takes to reach a decision. We shall submit all fees to the next account.

USCIS does not refund fees, regardless of any action we take on your application, petition, or request. By submitting this transaction, you acknowledge that you must submit fees for the next period and that you are paying the fee for government service. You further agree that the filing fee, business fee, and any other paid costs related to this financial transaction are final and non-refundable. Please refer to the instructions for the form(s) you are filing for additional information or you may call the USCIS Contact Center at 800-375-5283. For TTY (deaf or hard of hearing) 800-767-0883.

H-1B Registration Status – slide 77

After the initial registration period closes, USCIS will conduct the initial selection process. USCIS will notify you, through the method you chose, when there is activity on your account. You can also track the status of your registration through your myUSCIS account.

After the initial selection process, registrations will be identified as having one of the four following statuses: **“Submitted,” “Selected,” “Denied,”** and **“Invalidated-Failed Payment.”**

Submitted: The registration has been submitted and is eligible for selection. If the initial selection process has been completed, this registration remains eligible, unless subsequently invalidated, for selection in any subsequent selections for the fiscal year for which it was submitted.

Selected: means that your client has been selected to file an H-1B cap-subject petition. H-1B cap-subject petitioners, including those eligible for the advanced degree exemption, must have a **“Selected”** registration in order to be eligible to properly file an H-1B cap-subject petition for FY 2022.

Petitioners with selected registrations will be eligible to file an H-1B cap-subject petition only for the beneficiaries named in the selected registrations, beginning April 1, 2021. Petitioners with selected registrations will need to file within the 90-day period and at the service center, as indicated on the selection notice.

Selection does not guarantee H-1B approval. Your client is still required to file a paper Form I-129 with evidence that establishes eligibility and pay the required fee.

Petitioners must print and submit a copy of their selection notifications with their petitions.

Denied: Means multiple registrations were submitted by or on behalf of the same registrant for the same beneficiary. If denied as a duplicate registration, all registrations submitted by or on behalf of the same registrant for this beneficiary for the fiscal year are invalid.

As a reminder, you can log into your account to review your registrations and delete duplicates, up until the point that the registration process closes on March 25. After this, remaining duplicate registrations will be considered invalid and the status will indicate "Denied."

Please note, withdrawing an associated G-28 from a registration does not delete a submitted registration from the system. If a registrant and their representative each separately submit a registration for the same beneficiary, even by mistake, it will invalidate the registrations. If a representative withdraws the G-28, they will no longer be able to view the status of any registrations submitted in connection with that G-28 in their account. However, that does not mean that the registrations are deleted. The registrant would need to go into their account to verify that duplicate registrations are deleted and are not submitted.

Invalidated-Failed Payment: Means a registration was submitted but the payment method was declined, not reconciled, or otherwise invalid. Invalidated registrations are not eligible for consideration in the selection process, or, if the selection process has been completed, are not eligible to support the filing of a cap-subject petition.

Once USCIS has determined they have received sufficient petitions to meet the H-1B regular cap and advanced degree exemption, any registrations that were not selected as part of any selection process will be updated to "**Not Selected**".

"**Not Selected**" means not selected for this fiscal year.

Reminders – slide 79

As a final reminder, the initial registration period will be open from **noon Eastern on March 9 to noon Eastern on March 25**. You will not be able to submit registrations before March 9. The alert at the top of the homepage will indicate when the registration period is open. If the initial registration period is **open**, this message will display. All valid registrations received during the initial registration period will be included in the selection process regardless of whether they were received on March 9 or March 25. It does not matter if you enter one registration or 500 registrations for a company. Each valid, individual registration received between March 9 and March 25 will be entered into the selection process, regardless of the day or amount entered.

If the registration period is **closed**, you will no longer be able to select "H-1B Registration" on the "Start a Form" page. You will see an alert, similar to the one above, that explains the registration period is closed.
