Instru	ictions for U	sing the Chart								
The cha	rt will show most of	f the types of forms processed at the	e field office or service center.	You can select the form	type that applies to your case from the	e drop-down menu.				
If the field office or service center is meeting its goal for processing a form, you will find the timeframe listed in months. For example, if the office is processing Form N-400 naturalization applications in five months or less, then the chart will say "5 months." However, if the office is experiencing a processing delay, you will find the filing date of the last case that the office completed before updating the chart.  Important Information About Form I-765, Application for Employment Authorization You can now submit inquiries about the status of your Form I-765 after your case has been pending more than 75 days.  Please note that for Form I-765 category (c)(8), based on a pending asylum application, the processing timeframes listed only apply to an initial filing. Please note that the 90-day period for adjudicating Form I-765 category (c)(33) filed together with Form I-821D, requesting deferred action for childhood arrivals, does not begin until we have made a decision on your request for deferred action.
