Instru	Instructions on Using the Table								
Below is a chart that shows the Form Number, Form Name and Processing Times for all of the forms that are processed at that office. (Note that not all offices process all types of applications and petitions.)									
Find the particular form number (in the left column) or form name (in the center column) in which you are interested. In the right column you will find either a timeframe in months or an exact date.									
an exact date. If the office is processing a particular type of application in less time than our processing goal, you will see the processing times expressed in months (for example, if the office is processing naturalization applications in less than our 5 month goal, the processing time will state "Five Months"). However, if that office is taking longer than our processing goal to handle the form type in question, you will see the filing date (e.g., "April 10, 2003") of the last case we processed on the date the website chart was last updated. The charts are updated on or about the 15th day of each month.									
IMPORT	ANT: If you	r receipt notice date is earlier then the processing	g date shown, we sugges	st you call our USCIS Cus	stomer Service Office at 1-800-375-528	33 for assistance.
