Put your newly acquired knowledge to good use by expanding access to justice for local immigrant communities in San Francisco! Participate in the Eighth Annual AILA Pro Bono Clinic on Saturday, June 16th. At this year's Clinic, coordinated by AILA NorCal, La Raza Centro Legal, and AILA National, we will provide general immigration consultations to the local community.

Transportation to the clinic will be via the BART train system and free tickets will be provided. **Please meet at 8:30 am in the hotel lobby of Parc 55 to travel to the clinic** via the train system at Powell Street BART Station.

To reach La Raza Centro Legal via public transport, volunteers may take the blue, yellow, red, or green train lines headed toward Daly City or Millbrae two stops to 16th Street Mission station. From the 16th Street Mission station, La Raza Centro Legal is just one block west on 16th street and right on Valencia Street. A light breakfast will be available to volunteers on-site.

Please join fellow AILA members for this memorable experience in the Golden City! **Register here today!** <https://form.jotform.com/80783485382972>
