The Executive Office for Immigration Review (EOIR) has established temporary email accounts for immigration courts nationwide to facilitate electronic filing for all parties while the rollout of the EOIR Court and Appeals System (ECAS) is delayed due to COVID-19. Those who have already opted-in to ECAS should continue to use ECAS where it is available. Others who wish to utilize electronic filing may file through email as instructed below. Please note EOIR cannot provide technical support or confirm receipt of filings at this time. If you have questions, please contact the EOIR Office of Policy, Communications and Legislative Affairs Division at PAO.EOIR@usdoj.gov.

All filers:

- Failure to follow the guidelines listed below may result in the rejection of your submitted document filing. If your submission is rejected, you will be notified by email with a request to correct the issue and refile the document.
- The subject of your email must contain the nature of the filing, the alien registration number, the date of the next hearing, and the initials of the immigration judge assigned to the case.
Example: A filer of a motion to continue with a case with alien registration number 012345678 and a hearing date on 01/02/2021 would input, "Motion to Continue - 012345678 - 01/02/2021" in the subject line of the email. If the filer knows the hearing is scheduled before Judge William A. Jones, the subject would be, "Motion to Continue - 012345678 - 01/02/2021 - WAJ"
- While multiple documents for the same case may be submitted in one email, do not combine separate submissions into one file. Each document type must be submitted separately and include the type of filing in the file name.
- You remain responsible for service on the opposing party.
- Submit certificate of service with every filing in the same email.
- All electronically-filed documents must meet the requirements of filings outlined in the Immigration Court Practice Manual. Further, an electronically filed document cannot be larger than 25 megabytes (MB). For submissions that would be larger than 25 MB, please follow the below steps:
 - split the document into multiple files so no portion is larger than 25 MB;
 - name each document so that it is clear they should be matched with the other portions. Example: 5678_1234ABC_Brief_Part1; 5678_1234ABC_Brief_Part2
- Files must be a minimum resolution of 300dpi.
- File formats accepted are PDF and JPEG. We cannot accept other file formats.
- Do not include links to non-EOIR websites in your submissions.
- Filings with more than one page must include page numbers.
- If scanning and attaching a document, pages must appear right-side-up.
- The filing party must maintain the originals of any documents that are electronically filed and must make the originals available for production, if so ordered, or for inspection upon request by a party.

Attorneys and fully-accredited representatives

- If you have opted-in to ECAS, do not use email in lieu of filing through ECAS.
- Name your file with the last four digits of your client's alien registration number, your EOIR ID, and the type of filing.

Example: Attorney Johnson, EOIRID 1234ABC, with client 012345678, filing an asylum application would name the document: 5678_1234ABC_AsylumApplication

Respondents

- Name your file with the last four digits of your alien registration number, your last name, and the type of filing.

Example: Jane Smith, alien registration number 876543210, filing a motion to expedite, would name the document: 3210_Smith_MotionToExpedite

Example: Submitting an asylum application and country conditions evidence, attach the application with the file name 5678_1234ABC_AsylumApplication in one file and the country conditions with the file name 5678_1234ABC_CountryConditions.
